

CUBAN
COFFEE
QUEEN

Key West

Breakfast just got a little bit better at The Inn on Fleming. We are proud to now be serving coffee from a local favorite, Cuban Coffee Queen. We invite you to sip on a cup of their Key West Sunrise, a medium to dark roast blend.

Cuban Coffee Queen has two locations in Key West: Margaret Street and downtown at Southard & Duval.

Serving roasted coffee, specialty coffee drinks, Cuban favorites & sandwiches, salads, sides, and even smoothies, there is something for everyone.

To pick up a bag of your own roasted coffee (in 6 varieties no less) stop by one of their locations. What a great way to remember your trip to Key West. If an endless reminder is what you're looking for, consider signing up for their subscription service.

Enjoy your stay and your Cuban Coffee Queen coffee.
